Team Building Activities

At BreakFree Aanuka Beach Resort, our many acres of sprawling grounds means there are plenty of team based activities to suit the size and mindset of many groups. Below are some of the most popular choices. Your Conference and Events Coordinator can arrange quotes for any of-site Coffs Coast activities.

Action Packed

Hop into a helicopter and enjoy the beautiful views or skydive down to the coast. Explore the region on a Beach to Bush Buggy Tour, Harley Trike ride, or on horseback with Valery Trail Rides.

Beach Volley Ball

Enjoy an afternoon of competitive activity. A perfect team building sport that will increase energy levels and incorporate our great beach environment.

Water Activities

Try white water rafting on the Nymboida River, surf-rafting the Coffs Coast beaches, learn to surf lessons, canoeing on Coffs Creek, or a day of fun at the Big Banana Water Park. The coast is a water-lover's paradise. If you want to stay close, enjoy a dip at beautiful Diggers Beach, right on your doorstep.

Coastal Walks

Step out the front of BreakFree Aanuka Beach Resort onto the gorgeous Diggers Beach, and enjoy walks around the headland. Take in all that the coastline has to offer with views of South Solitary Island - the only place on the east coast where the Eastern Australian current meets cold and warm water, creating a perfect habitat for tropical and sub tropical fish life. During the months of May to September, this is also a perfect outlook to watch the Humpback whales migrate, playing in the water as they glide past. This really is a sight not to be missed.
