Located in beautiful Coffs Harbour on the Mid-North Coast of NSW, BreakFree Aanuka Beach Resort is set on absolute beach frontage and provides an array of outdoor garden, beach and lawn ceremonies and boasts a charming on-site wedding chapel.

The Special Two Package has been designed to provide you with all the professional services of the Coast's most renowned wedding providers in a stunning environment, allowing you to relax, enjoy and treasure your special day together.

Picture Perfect Ceremony

Set amongst 15 acres of

tropical landscaped gardens, the grounds of the resort provide a tranquil location for your ceremony. Many of these gorgeous lawn areas include the stunning backdrop of beautiful Diggers Beach.

Our Wedding Coordinator will assist in selecting the perfect location for your ceremony. If you prefer the sand of the beach between your toes or the charm of our quaint cedar chapel nestled amongst the gardens, you have the choice to select these upgrades to suit your needs.

As approval is required to utilize the beachside lawns

or beach, we can take care of this for you, removing the hassle of the necessary paperwork and legalities involved.

Helping you plan and celebrate your special day are two of Coffs Harbour's most caring Marriage Celebrants, Ken Palmer and Wendy Haynes. As this is such a personal occasion, we encourage you to speak personally with both Celebrants and decide for yourself who you feel is best suited to your celebration. Your Celebrant will walk you through the steps involved in marriage and answer

any questions that you may have.
